TOMORROW'S NEWS. TODAY.

Bearcat 150

If you think you can't afford a crystalless scanner with advanced features, think again.

The Bearcat® 150 is the lowest-priced crystalless *Bearcat* scanner ever. You can program into it your choice of frequencies, and never buy a crystal.

And it has features you would expect to find on more expensive models. All the action is right at your fingertips. There are no conventional knobs or buttons. Just one, smooth keyboard that responds to your light finger-tip pressure for all functions. Even the volume is fingertip controlled. Plus, the *Bearcat* 150 has lighted display, special scan functions and five-band coverage.

It's crystalless. *And* affordable.

Our Most Popular Scanner

Bearcat 210XL

Knowing about fast-breaking police, fire and emergency action keeps you up-to-date on what's going on in town. And you can be one of the first to know, with a Bearcat® 210xl Scanner.

It has almost twice the scanning capacity of its predecessor, the *Bearcat* 210. 18 channels. Six public service bands. Two scanning speeds—five or 15 channels per second. A bright green display for easier reading. Automatic Squelch and Direct Channel Access make scanning easier and more enjoyable. Plus, it's programmable. You never have to bother with crystals.

So the excitement is all yours, like never before: faster, easier and more comprehensive.

Come in and listen to what you've been missing.

NOW YOU CAN *OWN* YOUR PHONE

Maybe you thought you already owned a phone. But if the telephone company supplied it—they own it and you rent it. It's theirs regardless of how long you pay rent on it. And even when you buy a phone from Bell's phone store, they still legally own and rent the insides to you. All you buy is the outer shell.

The Cordless Pro Freedom Phone™ is **the** cordless telephone for the most demanding enthusiast or professional. With the longest range in the line, portability (POCKETability!), and no-wait auto redial, the Cordless Pro is perfect for the person on the go who can't be without a telephone. This small wonder is simple to use and takes just seconds to install. And, because you **own** The Cordless Pro Freedom Phone™, you're free of monthly rental charges from the phone company.
